ENGINEERS REPORT OF THE SUNAPEE
FIRE DEPARTMENT

In the year 1952, we answered five still alarms and five bell alarms. We had four major fires—Trows Mill, Harding Hill Farm, Kaino's barn and Jack Grows. All were partially insured and all have been rebuilt except Kaino's barn.

Our equipment is in good condition except Hose 1 Truck. We hope to be able to replace this truck soon.

We have waited a long time for the roof for our new station, but it has arrived and we hope to have it on and finish the station as quickly as possible.

REPORT OF THE SCHOOL BOARD

The members of the School Board wish to take this opportunity to express their appreciation and gratitude to the Sunapee business men who have so generously contributed their time and their experience to make possible the planning and completion of the improvements to the present school building. These men are:

Miland W. Bannister
 Clyde C. Colcord
 Marvin H. Laskey
 Howard L. Morgan
 Norman E. Perkins

We also wish to express our thanks and sincere appreciation to the members of the School Building Needs Committee for giving, so willingly, their valuable assistance and time. The membership of this committee is as follows:

Gordon B. Flint, Superintendent of Schools
 Ralph H. Meacham, Principal (through Sept. 1, 52)
 David W. Sherburne, Principal
 Clyde C. Colcord
 Louis K. Gregory
 William C. Lary
 Hope M. Leone
 Leo L. Osborne
 Norman E. Perkins

RUTH P. JOHNSON
 Secretary
 Sunapee School Board

REPORT OF THE SCHOOL BUILDING NEEDS COMMITTEE

The School Building Needs Committee has met with the School Board, the Superintendent of Schools, and the Principal, five times since the School District Meeting on March 11, 1952. At four of these meetings, April 17, June 16, November 17 and December 29, Mr. Granger and Mr. Barrett from the firm of Alfred T. Granger Associates, Hanover, New Hampshire, were present.

Plans have been outlined for the addition of two modern classrooms and a cafeteria. Preliminary plans for the addition of these units to the present school building have been reviewed. Plans for repairs and improvements to the basement of the present building have been drawn up. Complete plans for two new classrooms, kitchen, supply room and cafeteria for the Hot Lunch Program, have been accepted by the Committee. Final plans are to be ready by February 18, 1953. Contractors bids are to be received by the Chairman of the School Board by March 3, 1953.

The following improvements to the present school building have been completed:

- (1) New lighting system installed throughout entire building.
- (2) Installation of an oil-burning boiler and the addition of a zoning system to the heating plant of the present school building.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Sunapee:

I submit herewith my fifth annual report as Superintendent of Schools.

ENROLLMENT

The enrollment for the school year, 1952-53 is 193 divided as follows:

Elementary Grades (1-8) 140

Senior High (9-12) 53

We are continuing the same set-up of last year where five teachers handle the pupils in grades 1-7. Grade 8 comes under the high school unit and is handled by the senior high staff. It is still necessary, under our present organization, to use Room X, in the basement, as a classroom.

SCHOOL PLANT

The maintenance program has been much greater than usual during the past year. Major items include:

A new tar and gravel roof.

New fluorescent lights throughout the building. (These have provided a great improvement and have caused much favorable comment, including that of the Inspector for the State Board of Health.

New No. 5 fuel oil-burning steel boiler. (The size of the boiler has been figured to include the capacity for heating the proposed classroom and cafeteria addition.)

Unit heaters in the Auditorium and in the Shops.

Zone controls so that the temperature of the building can be kept more uniform - making for greater comfort and economy.

The stage curtains were cleaned and fire-proofed.

The Commercial Room, Teachers' Room and Library were painted.

Several rooms at the Principal's house were painted and papered.

A new drinking fountain was installed in the first floor corridor.

BUILDING PLANS

Pursuant to the vote of the 1952 Annual Meeting, the School Board entered into an agreement with the architectural firm of Alfred T. Granger Associates of Hanover, N. H. This firm has prepared plans and specifications calling for an addition to the building, providing for a cafeteria on the basement level and two classrooms above on the first floor level. The plans also provide for renovation of the toilet areas and a better arrangement for locker and shower room facilities.

The necessary articles to carry out this project are inserted in the warrant. Favorable action would serve to eliminate several undesirable features of the present school plant.

The proposed cafeteria would do away with the use of the Home Economics Laboratory and Auditorium as the places of preparation and serving of the Hot Lunch Program. The two additional classrooms would be used for elementary grades. One new room would take the place of the present Room X, in the basement. Moving one elementary unit to the new addition would free the present room for use by the high school. This would reduce the present high school congestion and make it possible to cut down on the number of students now being forced to study in the rear of rooms where a regular class is being conducted.

This building program should serve to satisfy the major needs of the Sunapee Schools in the foreseeable future.

SCHOOL BOARD ACTIONS

Public liability insurance, with \$10,000 and \$20,000 coverage, was placed on the building.

Over-night class trips are to be discontinued beginning with the Class of 1957. It is expected that some other Senior activity will take the place of this project.

NEW EQUIPMENT

The major items of new equipment include:

10 desk and chair units—placed in the Commercial Room.

An electric mixer for Home Economics.

Four CO₂ Fire Extinguishers.

An 18 cubic foot Freezer — this unit was donated by the Sunapee Women's Club for the Hot Lunch Program. This piece of equipment was greatly needed. We are very grateful to the members of the Women's Club for their generosity.

CONCLUSION

The work of the school touches many phases of community activity. It is my hope that our accomplishments will be such as to merit the continued interest and generous support of the citizens of Sunapee.

Respectfully submitted,
GORDON B. FLINT
Superintendent of Schools

REPORT OF THE PRINCIPAL

Superintendent Gordon B. Flint
Newport, New Hampshire

Dear Mr. Flint:

Commencement Exercises for Sunapee High School were held on June 12, 1952. There were nine graduates: Thomas Duling, Elsie Gregory, Walter Kangas, William Lary, Jr., Burton Leone, Sheila Morse, Phillip Osborne, Merlyn Robillard and Warren Sanborn.

Recipients of prizes and awards at the Class Day and Graduation exercises were as follows:

Readers Digest—One year subscription to the Valedictorian.
William Lary, Jr.

Bausch & Lomb—To the member of the graduating class with the highest average in scientific courses.

Burton Leone

D. A. R. Good Citizenship:—To the member of the graduating class who exemplifies good citizenship.

Sheila Morse

Becker Junior College—To the member of the graduating class who excels in Commercial Subjects.

Sheila Morse

Balfour Plaque—To the member of the graduating class who, in the opinion of his or her classmates and the faculty, has exhibited outstanding qualities of citizenship, loyalty, and achievement.

Sheila Morse

Murvin A. Bailey—To the member of the graduating class who, in the opinion of his or her classmates and the faculty, has shown those qualities which are essential for good citizenship.

William Lary, Jr.

S. A. R. Medal—To the member of the eighth grade who has the best citizenship traits.

Everett Ross

Babe Ruth Foundation—To a boy and a girl member of the graduating class who has exhibited outstanding qualities of sportsmanship in the school, home, church, and community.

Sheila Morse

William Lary, Jr.

Three members of the graduating class are at present working locally and one is at home. One is in the Air Force and one each at the following post-secondary schools: Baypath Junior College, Becker Junior College, Dartmouth College and the University of New Hampshire.

The testing program run by the University of New Hampshire was again used for the benefit of the eighth grade and sophomore classes.

The Noon Lunch Program is finding ever increasing favor among the pupils of the school. An average of about 125 meals per day is served during the winter months, severely taxing our limited space and equipment which was not designed for this purpose. In my opinion, a cafeteria and kitchen for this program should definitely be considered.

At the beginning of this school year it was necessary to take one of the second floor classrooms for use by the sixth and seventh grades. In doing this, we have overcrowded our high school rooms to the extent where good working conditions are not always available.

I wish to thank the Townspeople of Sunapee for the cooperation received in my first year as Principal and extend to them a cordial welcome to, at any time, visit their school.

Sincerely,
DAVID W. SHERBURNE
Principal

SUNAPEE SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District of Sunapee qualified to vote in District Affairs:

You are hereby notified to meet at the I. O. O. F. Hall in said District on Tuesday, the tenth day of March, 1953, at one-thirty o'clock in the afternoon to act upon the following subjects:

Article 1. To choose a Moderator for the ensuing year.

Article 2. To choose a Clerk for the ensuing year.

Article 3. To choose a Member of the School Board for the ensuing three years.

Article 4. To choose a Treasurer for the ensuing year.

Article 5. To choose one or more Auditors and such other Officers and Agents as the voters may judge necessary.

Article 6. To hear and act upon the reports of the School Board, Treasurers, Auditors, and Committees heretofore chosen.

Article 7. To see if the District will vote to raise and appropriate \$65,467.75, as recommended by the School Board in its annual report, for the support of schools, for the salaries of district officers, and for the payment of the statutory obligations of the district; and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income estimated at \$1,908.00, the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

Article 8. To see if the District will vote to construct and equip with adequate facilities, an addition to the Central School Building, and to remodel, alter and make improvements to the existing Central School Building; and authorize the School Board to make, execute and deliver any and all agreements and contracts incident thereto.

Article 9. To see if the District will vote to raise and appropriate a sum not exceeding Sixty Thousand (\$60,000.00) for the purpose of paying for the constructing and equipping with adequate facilities, an addition to the Central School Building,

and for the remodeling, altering and making improvements to the existing Central School Building; and to provide such funds, authorize the School Board to issue serial notes or bonds in the name of and on the credit of the District, in accordance with Chapter 72 of the Revised Laws of New Hampshire and any amendments thereto; and authorize the School Board to determine the time and place of payment of the principal and interest, the rate of interest and all other matters in connection with the financing of this project.

Article 10. To see if the District will vote to raise and appropriate the sum of Six Hundred Seventy-Five Dollars (\$675.00) for the first six months interest on any notes or bonds which may be authorized under Article 9.

Article 11. To see if the District will vote to authorize the School Board to appoint a building committee of not more than three persons to advise the School Board in the construction of said building project.

Article 12. To transact any other business that may legally come before said meeting.

Given under our hands this 14th day of February, nineteen hundred and fifty-three.
